ICD-10-CM Expert for Hospitals
The Complete Official Code Set

2017
## Contents

Preface ................................................................. iii

Introduction .......................................................... v

History of ICD-10-CM ........................................... v

How to Use ICD-10-CM for Hospitals 2016 ................... vi

Steps to Correct Coding ......................................... vi

Organization .......................................................... vi

Overview of ICD-10-CM Official Conventions ............... vii

Format .................................................................. viii

Punctuation ............................................................ viii

Abbreviations ........................................................ viii

General Notes ........................................................ viii

Additional Conventions .......................................... ix

Additional Characters Required .............................. ix

Color Coding ......................................................... ix

Medicare Code Edits ............................................. ix

Other Notations in the Tabular ................................ x

Other Notations in the Index ................................... xvi

ICD-10-CM Official Guidelines for Coding and Reporting 2016 Coding Guidelines........................................... 1

ICD-10-CM Index to Diseases and Injuries ................... 1

ICD-10-CM Neoplasm Table .................................... 321

ICD-10-CM Table of Drugs and Chemicals .................. 339

ICD-10-CM Index to External Causes ......................... 387

ICD-10-CM Tabular List of Diseases and Injuries .......... 423

Chapter 1 Certain Infectious and Parasitic Diseases (A00-B99) 423

Chapter 2 Neoplasms (C00-D49) ................................ 451

Chapter 3 Diseases of the Blood and Blood-forming Organ and Certain Disorders Involving the Immune Mechanism (D50-D89) ............................................ 491

Chapter 4 Endocrine, Nutritional and Metabolic Diseases (E00-E89) ................................................................. 500

Chapter 5 Mental, Behavioral, and Neurodevelopmental Disorders (F01-F99) ................................................................. 519

Chapter 6 Diseases of the Nervous System (G00-G99) .... 539

Chapter 7 Diseases of the Eye and Adnexa (H00-H59) .... 559

Chapter 8 Diseases of the Ear and Mastoid Process (H60-H95) ................................................................. 593

Chapter 9 Diseases of the Circulatory System (I00-I99) .... 605

Chapter 10 Diseases of the Respiratory System (J00-J99) 644

Chapter 11 Diseases of the Digestive System (K00-K93) ... 658

Chapter 12 Diseases of the Skin and Subcutaneous Tissue (L00-L99) ................................................................. 678

Chapter 13 Diseases of the Musculoskeletal System and Connective Tissue (M00-M99) ............................................. 697

Chapter 14 Diseases of the Genitourinary System (N00-N99) .................. 790

Chapter 15 Pregnancy, Childbirth and the Puerperium (O00-O9A) ................................................................. 807

Chapter 16 Certain Conditions Originating in the Perinatal Period (P00-P96) ................................................................. 845

Chapter 17 Congenital Malformations, Deformations and Chromosomal Abnormalities (Q00-Q99) .............. 857

Chapter 18 Symptoms, Signs and Abnormal Clinical and Laboratory Findings (R00-R99) ................................................................. 874

Chapter 19 Injury, Poisoning and Certain Other Consequences of External Causes (S00-T98) ...................... 892

Chapter 20 External Causes of Morbidity (W00-Y99) .... 1152

Chapter 21 Factors Influencing Health Status and Contact With Health Services (Z00-Z99) ...................... 1221

Appendices .......................................................... Appendix-1

Appendix A: 10 Steps to Correct Coding ...................... Appendixes-1

Appendix B: Valid 3-character ICD-10-CM Codes .......... Appendixes-3

Appendix C: Pharmacology List 2016 ......................... Appendixes-5

Appendix D: Z Codes for Long-Term Drug Use with Associated Drugs ................................................. Appendixes-11

Appendix E: Major Complication and Comorbidity ( MCC) Code List ................................................... Appendixes-13

Appendix F: Complication and Comorbidity (CC) Code List ....................................................................................... Appendixes-18

Appendix G: Lists of Principal Diagnoses That Are Their Own CC and Their Own MCC ...................... Appendixes-39

Appendix H: Present on Admission (POA) Tutorial ....................................................................................... Appendixes-40

Appendix I: Hospital Acquired Conditions ................... Appendixes-45

Illustrations .............................................................. Illustrations-1

Peripheral Nervous System ........................................ Illustrations-1

Brain .................................................................. Illustrations-2

Cranial Nerves ........................................................ Illustrations-2

Eye .................................................................. Illustrations-3

Lacrimal System ...................................................... Illustrations-3

Ear and Nasal ........................................................ Illustrations-3

Middle Ear ............................................................ Illustrations-3

ICD-10-CM 2017
Chapter 9. Diseases of the Circulatory System

25.7 Atherosclerosis of coronary artery bypass graft(s) and coronary artery of transplanted heart with angina pectoris
Use additional code, if applicable, to identify coronary atherosclerosis due to underlying coronary lesion (25.8-)
25.71 Atherosclerosis of bypass graft(s) of transplanted heart without angioplasty (25.812)
25.72 Atherosclerosis of coronary artery bypass graft(s) without angioplasty (25.814)
25.73 Atherosclerosis of native coronary artery of transplanted heart without angioplasty (25.822)
25.74 Atherosclerosis of native coronary artery of transplanted heart with angioplasty (25.824)

25.70 Atherosclerosis of coronary artery bypass graft(s), unspecified, with angina pectoris
25.700 Atherosclerosis of coronary artery bypass graft, unspecified, with unstable angina pectoris
25.701 Atherosclerosis of coronary artery bypass graft, unspecified, with angina pectoris without documented spasm
25.702 Atherosclerosis of coronary artery bypass graft, unspecified, with angina pectoris with documented spasm
25.703 Atherosclerosis of coronary artery bypass graft, unspecified, with angina pectoris with documented spasm without atherosclerosis of coronary artery bypass graft

25.71 Atherosclerosis of autologous vein coronary artery bypass graft(s) with angioplasty
25.710 Atherosclerosis of autologous vein coronary artery bypass graft, unspecified, with unstable angina pectoris
25.711 Atherosclerosis of autologous vein coronary artery bypass graft, unspecified, with angina pectoris without documented spasm
25.712 Atherosclerosis of autologous vein coronary artery bypass graft, unspecified, with angina pectoris with documented spasm
25.713 Atherosclerosis of autologous vein coronary artery bypass graft, unspecified, with angina pectoris with documented spasm without atherosclerosis of autologous vein coronary artery bypass graft

25.72 Atherosclerosis of autologous artery coronary artery bypass graft(s) with angioplasty
25.720 Atherosclerosis of autologous artery coronary artery bypass graft, unspecified, with unstable angina pectoris
25.721 Atherosclerosis of autologous artery coronary artery bypass graft, unspecified, with angina pectoris without documented spasm
25.722 Atherosclerosis of autologous artery coronary artery bypass graft, unspecified, with angina pectoris with documented spasm
25.723 Atherosclerosis of autologous artery coronary artery bypass graft, unspecified, with angina pectoris with documented spasm without atherosclerosis of autologous artery coronary artery bypass graft

25.73 Atherosclerosis of nonautologous biological coronary artery bypass graft(s) with angioplasty
25.730 Atherosclerosis of nonautologous biological coronary artery bypass graft, unspecified, with unstable angina pectoris
25.731 Atherosclerosis of nonautologous biological coronary artery bypass graft, unspecified, with angina pectoris without documented spasm
25.732 Atherosclerosis of nonautologous biological coronary artery bypass graft, unspecified, with angina pectoris with documented spasm
25.733 Atherosclerosis of nonautologous biological coronary artery bypass graft, unspecified, with angina pectoris with documented spasm without atherosclerosis of nonautologous biological coronary artery bypass graft

Additional Character Required
- Placeholder Alerts
- Unacceptable PDx
- Unacceptable ICExcl
- Manifestation
- Hospital Acquired Condition
- Not Included Here
- Not Included Here
J95–J95.88

Intraoperative and postprocedural complications and disorders of respiratory system, not elsewhere classified (J95)

J95

Intraoperative and postprocedural complications and disorders of respiratory system, not elsewhere classified

HAC = as SDx not POA, in combination with one of the following procedure codes: J95.0-J95.88

J95.0

Intraoperative and postprocedural complications and disorders of respiratory system, not elsewhere classified

HAC = as SDx not POA, in combination with one of the following procedure codes: J95.0-J95.88

J95.1

Acute pulmonary insufficiency following thoracic surgery

CC Excl: For CC codes in subcategory J95.8, unless otherwise noted: J93.1, J98.01-J98.09, J98.8-J98.9

J95.2

Infection of tracheostomy stoma

See code: J95.0

J95.3

Chronic pulmonary insufficiency following surgery

See code: J95.0

J95.4

Chronic pulmonary insufficiency following thoracic surgery

See code: J95.0

J95.5

Tracheal stenosis due to tracheostomy

See code: J95.0

J95.6

Intraoperative hemorrhage and hematoma of a respiratory system organ or structure complicating a procedure

PDx acts as own CC

ICD-10-CM 2017

J95.61

Intraoperative hemorrhage and hematoma of a respiratory system organ or structure complicating a procedure

PDx acts as own CC

J95.62

Intraoperative hemorrhage and hematoma of a respiratory system organ or structure complicating another procedure

CC Excl: See code: J95.61

J95.7

Accidental puncture and laceration of a respiratory system organ or structure during a procedure

PDx acts as own CC

J95.71

Accidental puncture and laceration of a respiratory system organ or structure during a procedure

CC Excl: J95.71-J95.79, J95.81-J95.88, J95.0-J95.09, J95.6-J95.69, J95.8-J95.89

J95.8

Other intraoperative and postprocedural complications of disorders of respiratory system, not elsewhere classified

CC Excl: J95.0-J95.88, J95.6-J95.69, J95.8-J95.89

J95.81

Postprocedural pneumomediastinum and air leak

CC Excl: J95.71-J95.79, J95.81-J95.88, J95.0-J95.09, J95.6-J95.69, J95.8-J95.89

J95.82

Postprocedural respiratory failure

CC Excl: J95.81-J95.88, J95.0-J95.09, J95.6-J95.69, J95.8-J95.89

J95.83

Postprocedural pneumothorax and air leak

CC Excl: J95.71-J95.79, J95.81-J95.88, J95.0-J95.09, J95.6-J95.69, J95.8-J95.89

J95.84

Transfusion-related acute lung injury (TRALI)

Use additional code to identify type of infection, such as:

A organism, if known (B95.-, B96.-, B97.-)

J95.85

Complications of respirator [ventilator]

CC Excl: For CC codes in subcategory J95.8, unless otherwise noted: J95.01-J95.09, J95.61-J95.69, J95.81-J95.89

J95.86

Complications of resuscitation

E89.810-E89.89

J95.87

Other complications of resuscitation

E89.810-E89.89

J95.88

Postprocedural complications of respiratory system, not elsewhere classified

CC Excl: See code: J95.61

J95.89

Postprocedural complications of respiratory system, not elsewhere classified

CC Excl: See code: J95.61

Note: The above codes are for CC only.
Chapter 19. Injury, Poisoning, and Certain Other Consequences of External Causes

568.62 Partial traumatic transphalangeal amputation of other and unspecified finger

568.629 Partial traumatic transphalangeal amputation of unspecified finger

568.621 Partial traumatic transphalangeal amputation of right index finger

568.622 Partial traumatic transphalangeal amputation of right middle finger

568.623 Partial traumatic transphalangeal amputation of left index finger

568.624 Partial traumatic transphalangeal amputation of left middle finger

568.625 Partial traumatic transphalangeal amputation of left ring finger

568.626 Partial traumatic transphalangeal amputation of left little finger

568.627 Partial traumatic transphalangeal amputation of other finger

568.628 Partial traumatic transphalangeal amputation of unspecified finger

568.7 Traumatic transmetacarpal amputation of hand

568.71 Complete traumatic transmetacarpal amputation of hand

568.711 Complete traumatic transmetacarpal amputation of right hand

568.712 Complete traumatic transmetacarpal amputation of left hand

568.719 Complete traumatic transmetacarpal amputation of unspecified hand

568.72 Partial traumatic transmetacarpal amputation of hand

568.721 Partial traumatic transmetacarpal amputation of right hand

568.722 Partial traumatic transmetacarpal amputation of left hand

568.729 Partial traumatic transmetacarpal amputation of unspecified hand

669 Other and unspecified injuries of wrist, hand, and finger(s)

Injuries to the hip and thigh (S78-S79)

570 Superficial injury of hip and thigh

The appropriate 7th character is to be added to each code from category 570.

A initial encounter

D subsequent encounter

S subsequent encounter from category S70.
